# Message From District Director – Zonal Coordination

Dear Fellow Rotarians & R'Anns

Greetings !!!

I would like to congratulate Rtn. Pradeep Narula for being appointed as President of Rotary Club of Rewari Main and his team for successful year ahead. I am sure the club will definitely grow with flying colors under his fine leadership. I also congratulate editorial team for releasing **"Nirmay Prayas"** E-Bulletin of club every month.

The focus of Rotary was mainly towards Polio and we are happy to announce that we are able to eradicate polio from India. Just think: The next case of polio could be the last case. But we must be careful, because that "last case" will not be the end of our task. In fact, that's when the job gets even harder. I suggest this club to keep organizing plus polio camps and provide the medicine to each and every child in your vicinity.

The next focus of Rotary is towards TEACH & WINS and there is lot of scope of work in Rewari in these areas. I assure my best support to Rtn. Pradeep Narula in organizing events related to TEACH and to spread awareness on sanitation or setting up hand wash stations in various schools of Rewari.

Let's join together and give our best to the world.

"TOGETHER WE CAN"

Regards

Rtn. Naveen Arora
