Mann Ki Baat

Dear Fellow Rotarians and R'Anns

Greetings from Rotary Club of Rewari Main!

It is indeed an honor to be appointed as the President of the most vibrant and lively club of RI District: 3011.

An honor which also comes with a lot of responsibility. Rotary has made me passionate about three "C"s in life-Charity, Celebration and Communication. This post gives me the opportunity to fulfill my passion of giving back to the society and serving the needy, enjoying entertaining programs and enhancing fellowship with club members and other Rotarians.

I assure you that during my tenure, my team and I will use all our knowledge, resources and time to make 2019-2020 a memorable year for all our club members and take our club to new heights. I have no doubt in my mind that our team will continue to receive your support through your presence and participation in all club programs.

Let us enjoy this year with lots of fun and fellowship to make the theme (Rotary Connects People) of this year meaningful.

Regards Rtn. Arun Gupta President Rotary Club of Rewari Main

Dear Fellow Rotarians and R'Anns

Greetings !!!

It is indeed an honor to be selected as Hony. Secretary of the most distinguished and happening club of RI District: 3011. I am

thankful to Rtn. Arun Gupta for keeping faith in me & my abilities.

As we starting with new Rotary Year, My request to all Rotary family members to recall the reasons you first joined this club. There must be common answers from everyone. Either you have joined for fellowship or to engage yourself in community service. Whatever reason you might had that time, Each Rotarian shares in a deep commitment to 'Service Above Self.' This idea has drawn clubs in every corner of the world and binding 1.2 million Rotarians in one knot.

Rotary is an exceptional organization whose members do extra ordinary things every day but we should let society be informed about that and acknowledge that. Keep talking about Rotary in your circle, encourage establishment of your club as a brand in your society. After that, getting more members will be most simple task because people will join you after seeing your work and you need not to approach them to join club.

In short: let's get it done! This is the time to deliver! THIS is the place to commit. And yes there are many things to do in the society. But it is up to us to prioritize them and work on them. Working together, our club can leave a meaningful mark this Rotary year.

Regards Rtn. J P Chauhan Hony. Secretary Rotary Club of Rewari Main
